Letter from the Owners

Studio 94 Photography Inc. is a professional photography studio servicing the southern California area. We offer a wide range of photographic images which include in-studio portraits, on-location sessions, and family portraits. Our professional and creative work reflects a long history behind the camera. We have photographed over 300,000 individuals in our years of service and we have built a reputation for making people look great!

Our mission is not only to take great photos, but to give your family a comfortable and fun family photo experience and something excellent to take home and remember for years to come. We want to celebrate you and everything you and your family have achieved. No matter what your needs are, we're here to make it happen. Everything is designed custom fit to you, because we value you and the journey you are on.

You're going to love your images,
we guarantee it.

Retouching

Standard Retouch - \$15 per pose

Our team does a once over the image to clear up blemishes and soften lines.

This is a great starting place to make your images and prints look extra special.

Senior Retouch - \$25 per pose

Our team will Remove blemishes, soften lines, smooth out skin, and remove stray hairs.

This is a really good upgrade for your images.

Each of the retouched files have special attention from a seasoned retouching professional.

They make the image look near perfect and can honor limited special requests.

Fashion Model Retouch - \$30 per pose

This is a very high end retouch.

We pull out all the stops and make the image look perfect. We take special requests and can literally do anything to the image.

This is where we can reshape bodies and put heads on other shoulders to create a new work of art image.
